## IB DP Geography – Impacts of Climate Change on the FEW Nexus (A3 size)

Task. Using the embedded WWF report on [ibgeographypods](http://www.ibgeographypods.org), make notes on the impacts of climate change on water, food and energy. This report primarily focuses on the issues faced by South Africa and has significant links with content covered in Freshwater (Theme A) and other themes in the Perspectives unit. Pages 6 -12 will prove to be most useful to you.
