Collaboration Time - Key Questions for Investigation

Working with a partner, each choose a different task (see below) and create a micro presentation to give to them with your response.

You could also work in groups of three.

- **Question:** How westernized has the world become?
- **Question:** Is hybridity a bad thing?
- **Creative Task** – How might you see cultural imperialism around you? Are you an example of cultural hybridity?

Are you a member of an International School or do you go to school in a country that is not your country of birth?

Is your language of tuition not the language of the country you are living in?

Create a display tasks around you and your actions in France.
